Your details in your control

What is Members' Self Service?

Members' Self Service is your personal and secure pension account. You can access it at peninsulapensions.org.uk/lgps-member.

What will I find there?

Membership Details

Your personal details and the opportunity to change them.

Service Breaks

All of your service breaks are listed – such as for absence or strike.

Financial Details

Your current employer, your pensionable pay, and your contribution rate.

Benefits Projectors

Projected figures for:

Deferred Benefits

'Deferred benefits' simply means the benefits you will receive on retirement. This section includes details on the amount of pension and lump sum you will receive, and your spouse's pension.

Death Benefits

Death benefits are the benefits that are paid if you die in service. Here you will find the figure for your death grant (the lump sum to be paid to your nominated person), the figure for your spouse's pension (if applicable), and the figure for your children's pension (if applicable).

Voluntary Retirement

Projected figures, which can also be adapted for early retirement.

Death Grant Nomination

Amend who your death grant goes to, and in what proportions. Both spouses and children can be nominated.

Member Documents

Your Annual Benefit Statements and other correspondence, sent directly to your account.

How do I sign up?

Simply go to peninsulapensions.org.uk/lgps-member, and click on 'Members' Self Service'. Input your details to create your account. You will need an email address.
